

BORN IN A BARN STUDIO

Set on beautiful Warwickshire farmland, in the heart of the Midlands' 3 motorway intersections, this barn conversion studio is idyllic & tranquil. 4 years on this Midlands ProTools dedicated recording studio is fast growing and welcomes you.

A state-of-the-art and cost-effective facility is provided for you, plus in-house engineer with over 15 years experience in the music industry. Roger Greasby, its owner & main producer, has grown up with music since aged 7. He has a wealth of experience in the industry and has run 2 studios, engineered on tour, driven for many artists & worked with many stars.

Services:

Recording & Mixing
Mastering & Compiling
Duplication & Rehearsals (available on request).

Specialists in acoustically recorded music, BB Studio has worked with string ensembles, brass bands, small choirs, folk groups, classical duos, indie/pop/rock groups & soloists from throughout the UK.

Essential Equipment Specification:

ProTools 7 TDM on a ProTools HD2accel rig with Mac G5dual.
